

Certification of Project Compliance Condominium/PUD Lender Warranty

Instructions: Condominium and Attached PUD projects must be warranted to the applicable Truist Condominium/PUD guidelines. This Certification must be fully executed and placed in every delivery package secured by a Condominium or Attached PUD. Please check the appropriate warranty code shown below. In the event a project appears on the Truist Approved Condo list, please check the appropriate code shown on the list and include both the approved list and this form in the delivery package.

Correspondent condominium loans that are underwritten by Truist regardless of delegation level must be submitted to the Truist Condominium/PUD Department for review and must be deemed warrantable in order to be eligible for purchase. Upon approval, the Truist Condominium Department will provide an executed copy of this form to be included with the loan delivery package.
